

Contractor Orientation Process

DL – Drivers License
CO – Contractor Orientation

NOTE:

New Contractors - To ensure contractor is able to obtain ID badge and begin work on a scheduled date, TB test and drivers license should be submitted 7-10 days prior to completing online orientation. From start to finish, it could take 12-15 days before contractor can begin working on site.

TB Test Renewals – to avoid deactivation of ID badge and continue working, contractors are encouraged to submit TB Test update 10 days prior to TB expiration date.
