

Spectrum Health Institutional Review Board (SH IRB)

2021 Meeting Schedule

Instructions:

The following dates are for the convened SH IRB meetings. A “suggested deadline date” is provided to assist Investigators and study teams with planning IRB submission for protocols that require convened review (e.g. studies with risks to participants that are greater than minimal).

Please note that all IRB submissions will have a pre-review completed prior to the addition to an agenda. A protocol/study will not be added to an agenda (“*Agenda Created Date*”) for which there has been no, or an inadequate, response to pre-review issues, comments, or concerns. If you have questions regarding the need for convened SH IRB review please contact irbassist@spectrumhealth.org.
