

Butterworth ED Cohort Plan – March 20, 2020

- Cohort any respiratory, URI concerns (including COVID-19):
 - 24 hours/day: **YELLOW** is the designated mod to receive respiratory complaints
 - 0900-0200:
 - **YELLOW** is first choice and when full, flow to RED, starting with 87, then 86, 85 and so on
 - Keep 88/89 open for any respiratory priority one patients
 - 2300-0700:
 - **YELLOW** is first choice and when full, flow to **CPC** 10-15
 - **Decision Point:** If **YELLOW** and **CPC** are full, with patients waiting/coming through EMS □ CN and Attending will huddle to discuss if mod patients overflow into **RAZ**
 - North side provider will float to **RAZ** if the decision is made to overflow mod patients there
