

Welcome to Spectrum Health, we are happy to care for you and we are taking special precautions to protect you, your friends and family, and the staff treating you.

Based upon your symptoms, you were placed in a special patient care room. For your safety and the safety of those around you, we ask that you do the following:

- Please do not leave your room and keep the door closed at all times.
- If you were provided a mask, please keep it on.
- Use the nurse call bell button to contact staff.
- Please answer the phone in your room if it rings, our team may contact you to get additional information to provide care for you.
