

Testing for COVID-19

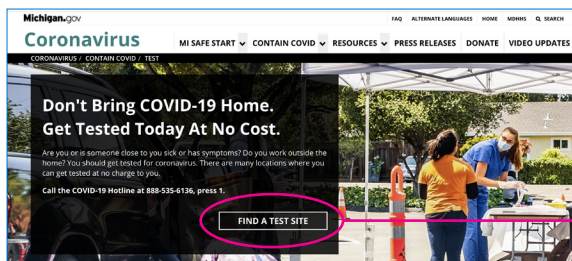

Below is information on screenings and scheduling a COVID-19 test.

Step
1

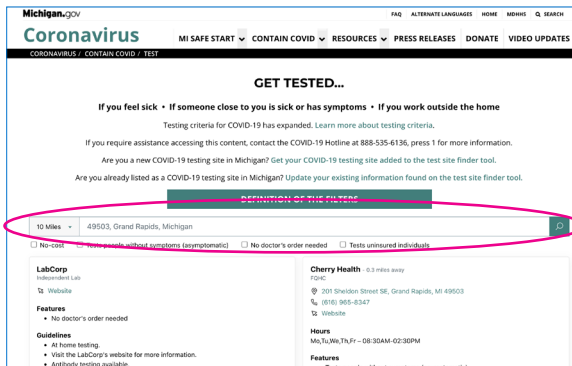

Find a location. [Michigan.gov/coronavirus](https://michigan.gov/coronavirus) is a great resource.

A: From the homepage, click “Find a Test Site.”

B: From the Test page, click “Find a Test Site.”
There are many locations where you can get tested.

C: On the “Get Tested” page, you can filter to find the site that’s right for you.

Step
2

Select a location

Once you select a location, follow the instructions.

If you have questions, call the State of Michigan COVID-19 hotline at 888-535-6136, press 1.
