The Spectrum Health Medical Group Department of Orthopedics team provides expert diagnosis, medical management, rehabilitation and surgical repair of bones, joints, muscles and connective tissues.

Our goal is to provide your patients with the most comprehensive range of treatment and rehabilitation options available so that they may resume their normal activities as quickly and as pain-free as possible.

In addition to Grand Rapids, we have clinics in Big Rapids, Fremont, Grand Haven, Greenville, Hastings, Holland, Ludington and Reed City.
