

Bike Helmets

Safety education and helmets available. Call 391-SAFE today!

Time: By appointment only – please call 616.391.7233 to schedule

Location: Injury Prevention Program Office
330 Barclay, Suite 101B

The Injury Prevention Program has a limited number of bike helmets available for \$10 to children and families. Families on Medicaid may qualify for a reduced price helmet.

- Wearing a helmet while riding your bike reduces injuries by about 85%.
- Nearly 630 children are injured daily due to bicycle-related crashes.

Have Fun – Be Safe!
