

## IRB Fees

### Spectrum Health IRB Fee for Service

**\*\*\*The following rates are effective for new IRB submissions beginning July 1, 2017\*\*\***

Spectrum Health IRB charges fees for review of industry sponsored and for-profit entities, pharmaceutical companies and other. There is no charge for review of non-profit sponsored research, such as NIH sponsored studies. Fees are assessed to cover the costs associated with the IRB's related administrative responsibilities.

<b>Type of Application</b>	<b>Total Fee</b>
<b>New Studies</b>	\$2,500.00
<b>Sponsor Initiated Amendment</b>	\$1,000.00
<b>Continuing Review (Renewal)</b>	\$1,000.00

Spectrum Health will invoice the sponsor upon execution of the agreement, and at the project renewal date. Payment is expected within 45 days of receipt of invoice. IRB fees are non-refundable.
